

AUGUST 2026 NATIONAL IMMUNIZATION AWARENESS MONTH

Protect. Prevent. Immunize.

Vaccines are one of the most important ways to keep you, your family, and our community healthy.

Vaccines work. For all ages. For our future.

PROTECT yourself

Stay up to date on vaccines recommended for you.

PROTECT your loved ones

Vaccines help keep your family healthy and strong.

PROTECT your community

When more people are protected, our whole community is safer.

PROTECT our future

Vaccines prevent disease today and build a healthier tomorrow.

JOIN US ALL MONTH!

Community events, education, and resources throughout August.

WEEKLY FOCUS

Each week in August is dedicated to a different population.

JULY 26 – AUG 1 BACK TO SCHOOL

Get ready for school success! Stay up to date on recommended vaccines for children and teens.

AUG 2 – AUG 8 PRETEENS & TEENS

Preteens and teens need vaccines too. Stay protected now and in the years ahead.

AUG 9 – AUG 15 PREGNANT WOMEN

Protect yourself and your baby. Ask your healthcare provider about recommended vaccines.

AUG 16 – AUG 22 ADULTS

It's never too late to protect your health. Stay up to date on recommended vaccines.

AUG 23 – AUG 29 INFANTS & CHILDREN

Routine vaccines help protect children from serious diseases from birth through childhood.

GET INFORMED. GET PROTECTED.
